The renovation of this classic Murray Hetherington home will take your breath away. Over 4000 sq. ft of elegant space, unique 1/4 acre fully landscaped and wooded lot, This house sits on a gentle hill surrounded by Forest Preserve and some of the finest houses in Beverly. Just minutes to the Metra, shopping and Kellogg school. Everything inside and out displays the craftsmanship of the original builder and the perfectionist attention to detail in the 2013-14 rehabilitation of this stunning house. The photos only begin to demonstrate how magnificent this home will feel to you as you walk in the door. Old world charm, top of the line finishes, appliances and the state of the art mechanical
